

HALAMAN MOTTO

Prayer is the most important conversation of the day. Take it to God
before you take it to anyone else.

A Relationship With GOD Is The Best Relationship

You Can Have Embrace It Every Day And If God
brings you to it, He will bring you through it.

People will let you down, but God never will. God knows what's best for
you. (Isaiah 55:9)

Keep Calm And Follow Jesus Christ. GOD Bless You All

Education is most powerful weapon which you can use to change the
WorldAnd We can change the world and make it better
place. It is in your hands to make a difference.

The main principle is we must use time wisely and forever realize that
the time is always ripe to do right.

Action without vision is only passing time, vision without action is
merely day dreaming, but vision with action can change the World.
