DAFTAR ISI .............................................................................................. ix
DAFTAR GAMBAR .................................................................................. xii
DAFTAR TABEL ....................................................................................... xiii

BAB I PENDAHULUAN ........................................................................... 1
  1.1 Latar Belakang .............................................................................. 1
  1.2 Rumusan Masalah ......................................................................... 2
  1.3 Ruang Lingkup .............................................................................. 3
  1.4 Tujuan Penelitian ......................................................................... 4
BAB II  Tinjauan Pustaka dan Dasar Teori .......... 5

2.1 Tinjauan Pustaka ............................................ 5
2.2 Dasar Teori ..................................................... 6
   2.2.1 Doa ................................................................. 6
   2.2.2 Android ......................................................... 10
   2.2.3 Eclipse .......................................................... 13
   2.2.4 PHP............................................................... 14
   2.2.5 Database MySQL ............................................. 14
   2.2.6 Unified Modeling Language (UML) ..................... 15

BAB III  ANALISIS DAN PERANCANGAN ............. 17

3.1 Analisis Sistem .................................................. 17
   3.1.1 Masukan dan Keluaran ..................................... 18
   3.1.2 Kebutuhan Perangkat ..................................... 19
3.2 Perancangan Sistem .......................................... 20
   3.2.1 Use Case Diagram .......................................... 21
   3.2.2 Class Diagram ............................................... 21
   3.2.3 Sequence Diagram ......................................... 22
   3.2.4 Activity Diagram ............................................ 26
3.3 Perancangan Basis Data .................................... 27
3.4 Rancangan Antar Muka Aplikasi ....................... 28
   3.4.1 Rancangan Halaman Cover ................................. 28
   3.4.2 Rancangan Menu Beserta Activity .................... 29

BAB IV  IMPLEMENTASI DAN PEMBAHASAN .......... 30
4.1 Implementasi Sistem ........................................ 30
  4.1.1 Kelas MainActivity ........................................ 30
  4.1.2 Menu Doa Untuk Tujuan Tertentu .................. 31
  4.1.3 Kelas Menampilkan Detail Doa ............... 32
  4.1.4 Tampilan Code Menu Informasi ............... 33
  4.1.5 Program PHP ............................................. 33
  4.1.6 Kelas Splash Screen ................................. 34

4.2 Pembahasan Sistem ........................................ 35
  4.2.1 Tampilan Splash Doa ................................. 35
  4.2.2 Tampilan Aplikasi Menu Doa ..................... 36
  4.2.3 Tampilan Doa Kegiatan Rutin ..................... 37
  4.2.4 Tampilan Menu Pencarian ......................... 37
  4.2.5 Tampilan Detail Doa ................................. 38
  4.2.6 Tampilan Menu Bantuan ......................... 39
  4.2.7 Tampilan Menu Informasi ..................... 40

BAB V Kesimpulan dan Saran ................................. 41
  5.1 Kesimpulan ................................................. 41
  5.2 Saran .......................................................... 42

DAFTAR PUSTAKA ................................................. 43
